### Happy Friday and A 3 day weekend!

This week, the CD13 team outreached a total of 20 hours and spent 4 hours reviewing and completing paperwork. Below is our weekly summary, please review.

- **This week, we worked with approximately 15 people**
  - o Of these, 4 of the 15 contacts were new contacts
- **Liberty St. was the most populated outreach area and had the most contacts.**
- **4 clients currently have housing vouchers and are in the process of searching for homes:**
  - 1 client currently has an appointment for voucher issuance on June 8, 2016.
  - Of these, 1 client will need pet-friendly options

**Approximately 3 people may have been identified as the most vulnerable clients**

- **Special notes and request:**
  - The outreach team made 4 referrals for Rapid Re-Housing and are waiting for approval.
  - The outreach team referred 1 individual for HIV Units Hollywood and are waiting for approval.
  - Participated in the Maintenance & Outreach event on Wednesday, May 25th, and spent 2 ½ hours at LA River on Monday, May 23<sup>rd</sup>. No contacts were made at LA River, but several abandoned encampments were located, except for one encampment that appears to still occupied. However, no one was there at the time of outreach on Monday.

- Outreach, Supervisors, and Juan with CD13 participated in a conference call to problem-solve the Juanita/Oakwood Ave. area's lack of outreach response and high drug traffic/violence. PATH and CD13 will continue to discuss this matter and act on the need for outreach.
- Outreach spent a number of long hours on apartment searching this week, specifically for 4 individuals with current vouchers.

## CES

- o 1 completed this week

## Veterans

- o The outreach team did not work with any Veterans this week.

**Please feel free to reach out if you have any questions.**
